PROGRAM PERFORMANCE

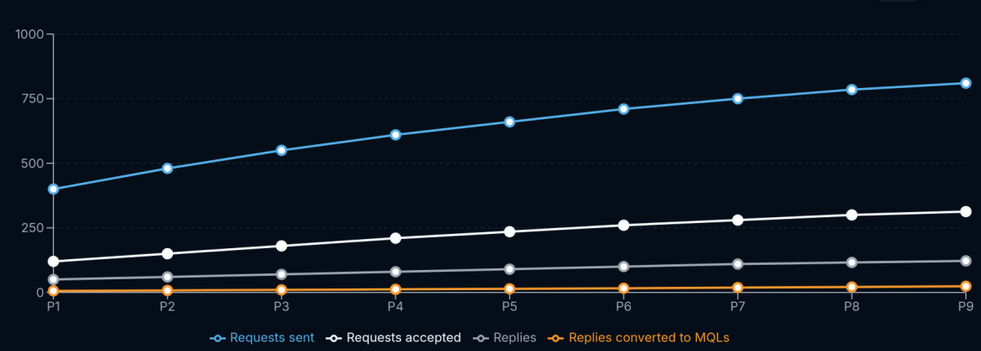

Your LinkedIn activity

Service period: All service periods (combined)

Team-recorded report · Reporting through November 22, 2026 · 9 of 9 service periods reported

Requests sent	Requests accepted	Replies	Replies converted to MQLs
5,755	2,048	798	130

Service-period trends — Line | Bar

Each point is a service-period total; periods without reports are left blank. Current-period counts are partial.

MQL counts by score

130 MQLs total · all service periods combined

MQL1 · Meeting Interest	40
MQL2 · Information Request	50
MQL3 · Referral	16
MQL4 · Future Opportunity	24

Your program reporting, in one place. These are the reporting sections, filters and charts in your client console. Sections are arranged side by side here; your console scrolls vertically, with service-period tables, individual meeting records and operations report links below the charts.

OPTIONAL MEETING BOOKING REPORTING

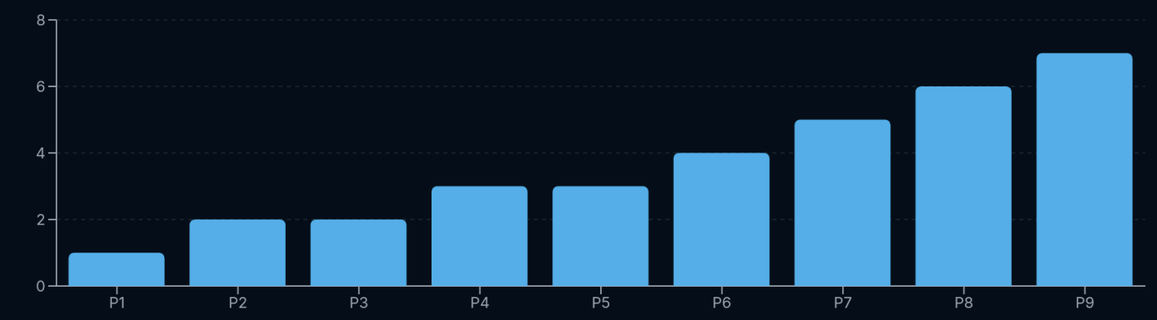

MEETING BOOKING

Your booked meetings

Service period: All service periods (combined)

Meetings to date	Current period	Profiles generating meetings
